Delegate Assembly: <https://mape.org/committees/delegate-assembly-da>

32-hour work week discussion, Presentation by Andrew Ulasich: email: <mailto:32mape@gmail.com>

Letter of support:

https://docs.google.com/forms/d/e/1FAIpQLSdSO3hfpis1Ed5TYIZgJYg8GaNFkIn_xzQCI9243oPY_IGntQ/viewform

- 32-hour work week has been a fight for many years
- Many organizations have already made this shift – 4 major unions have won a shorter work week.
- Employer driven – benefits business and employees.
 - 100% pay, 80% time = 100% output
- More: Focus, work life balance, labor retention
- Buffer for overtime work that keeps under a 40-hour threshold.
- Extra 52 days a year

Concerns:

- If we're going to add this to our negotiations, when does that happen? When will management see the request?
 - in April when they start meeting with Mgmt.
- what would vacation/PTO look like with a 32-hour work week?

- Commitment is to have no loss of pay or benefits.
- Would this lower salary because there are less hours worked?
 - Commitment is to have no loss of pay or benefits.
 - I'm afraid that we'll have less leverage to negotiate wage increases because management will feel they've "given enough" to employees with a 32-hour workweek.

MAPE endorsed candidates: Nicole Juan (MAPE PAC Vice Chair)

<https://mape.org/committees/mape-pac>

Screening candidates:

- Have a list of legislative platform.
- Vote scores on how incumbents are doing against list of priorities.
 - Low scores = interview of why or not endorse
- If want to be endorsed – series of interviews, ask questions based on MAPE priorities and legislative platform.
- In phase to support candidates now – this includes door knocking, fund raising, inform union through PAC site (link above)

Questions:

Local or National candidates?

Only state candidates, Governor and down (senate and local positions)
