**RESOLUTION TITLE (limited to 5 words):** ICE OUT

**BE IT RESOLVED THAT:** *(Please print or attach your resolution here. Be concise and use everyday language.)*

BE IT RESOLVED THAT: The Minnesota DFL supports abolishing Immigration and Customs Enforcement (ICE); and restructure immigration enforcement in a way that protects and respects working, immigrant families regardless of status; and that a proper investigation into the deaths of Minnesota residents at the hands of ICE and Border Patrol are conducted by state and local law enforcement.

*You may add a brief explanation or your 2 or 3 strongest supportive points here.*

WHEREAS, Minnesota's working-class communities include immigrant and mixed-status families whose labor sustains key industries and public services across the state; and recent federal immigration operations in Minnesota have included the detention of children, disrupting schooling, family stability, and child wellbeing; and fear of immigration raids and detention can deter families from accessing schools, medical care, workplaces, and basic necessities, undermining public safety and community health; and lethal force has been used during immigration-enforcement activity in Minnesota, including the murders of Renée Nicole Macklin Good, Alex Pretti, and Victor Manuel Diaz by ICE agents; and separating enforcement from community safety and placing immigration functions in agencies oriented toward militarized policing escalates risk, weakens trust in government, and makes workers and families less safe; and Minnesota has a compelling interest in ensuring transparent, independent, and publicly accountable investigations when Minnesota residents are killed during federal immigration operations, including investigations led by state and local law enforcement with full evidence preservation and public reporting.
