

2024 MAPE DELEGATE ASSEMBLY RESOLUTION

Dissolution of the Nominations Committee

Whereas...

- The Nominations Committee hasn't been funded in many years
- The Nominations Committee hasn't been created or seated in many years
- The Nominations Committee no longer has a place in MAPE's current organizational structure
- Leaving the Nominations Committee listed on the budget, in the bylaws, and in MAPE's organizational structure has a cost attributable to it for time and space used
- The Nominations Committee can be used by someone in power to wield unnecessary control over the election process

Resolved: The Nominations Committee should be dissolved, Section 11 should be stricken from the official bylaws, all subsequent Sections should be moved up in numerical value to replace it, and the Nominations Committee should be removed from the Election Rules.
