

2024 MAPE DELEGATE ASSEMBLY RESOLUTION

Increased Funding For Locals

Whereas...

- Dues have been increased, but Local funding hasn't increased in over a decade
- There has been an increased focus and encouragement of Locals spending all their funds annually
- Locals have been frugal in the past because they've been worried about running out of funds, saving for the next fiscal year, and saving for strike efforts and support
- This has created an environment where Local funds aren't being used properly or effectively
- This has created an environment where Local funds aren't being depleted annually

Resolved: Change the Funds Policy to increase Local funding from \$1.25 per member, to \$4.00 per member
