"The only effective answer to organized greed is organized labor."
*–Thomas Donahue, President, AFL-CIO*

Meet & Confer meetings are held bi-monthly with the Lake Superior College senior management team.

Typically, this includes the President, Vice Presidents, and the HR director.

The Employer and the Association support a cooperative relationship in which each party moves toward a relationship of greater trust and respect without interfering with the collective bargaining process.

MAPE at LAKE SUPERIOR COLLEGE

Minnesota Association for Professional Employees

MAPE

WHAT WE CAN'T ADDRESS:

- This is not a substitute for the grievance process or negotiations
- Individual disciplinary actions
- Individual vacation accruals

To contact a steward, who can address the above, go to **https://mape.org/locals/find-your-steward**
