

MAPE Local 2001 Agenda for July 1, 2025 Meeting

1. Welcome—Favorite Summer Activities ice breaker

2. Officer Reports

- a. **Regional Director:** Kay Pedretti With negotiators last week, they had been up for 30 hours. Adam Kamp was with them. Team got an agreement, worked with AFSME to hold out. AFSME worked well with MAPE this year, relationship with AFSME is important. There are NO takebacks on Healthcare, slight increase on wages. Went up to the Delta thinking that we would be voting on a strike, but came away voting on a contract. We got the best contract we could. Adam Kamp explained some of the changes in healthcare premiums for the next year. What won approval was that we all came together and prove that we would strike. Everyone needs to thank Gabe for his representation. He did a wonderful job.
- b. **Treasurer:** Samantha Schendzielos Ending balance June \$42, 288.22 not a lot of expenditure. Big social event in July is coming, will be some expense there.
- c. **Membership Secretary:** Nicole Sokolofsky June 24th 63.73% Welcome to: David Satzke Hade Rehtzigel, Heather Scholz, and Billy Reiter-Marolf
- d. **Regional Steward Directors:** Cathy Finken and Jesse Krusmark Many questions about telework. The governor would not budge on telework. Keep us updated on what is happening and we will have to look at each issue separately, how that is impacting each employee. Just keep letting us know. The more we know the better we can help. Many times we can resolve the matters with just a friendly conversation.
- e. **President:** Ren Olive We have members from Austin, to Red Wing, to Winona, Northfield, Rochester, etc. We will be having a Steward Retreat July 17th. We come together and share what we're hearing from MAPE to do education, to dig into parts of the contract, to do some role-playing. To learn, ask questions, and defend each other. Link to sign up:
